Provided Government may alter the prescribed authority for a particular area as deemed necessary.

4. Appellate Authority:-

The appeal against the order of the Prescribed Authority shall lie with the next higher authority in the Department of Environment and Forests.

CHAPTER - III
FELLING AND REMOVAL OF TREES

5. Restriction on felling and removal of trees:- Notwithstanding anything contained in any other law for the time being in force or in any custom or usage or contract and except as provided in this Regulation, no person shall fell or remove or dispose of any tree or forest produce other than the “Category C Tree Species” in any land, whether in his ownership or occupancy or otherwise, except with the previous permission of the Prescribed Authority;

Provided that if the tree is not immediately felled, there would be grave danger to life or property or traffic, the owner of the land may take immediate action to fell such tree and report the fact to the Prescribed Authority within twenty-four hours of such felling, on receipt of which the Prescribed Authority on being satisfied with the reasons may regularize the felling.

6. Procedure for obtaining permission to fell, cut, remove or dispose of a tree:-

(1) Any person desiring to fell or remove or otherwise dispose of, by any means, a tree belonging to Category A or Category B Species, shall make an application in the form prescribed in the Schedule-I annexed to this regulation, to the concerned Authority for permission and such application shall be accompanied by copies of record of rights in support of ownership over the land, the number and kind of trees to be cut, their girth measured at a height of 1.35 meters from ground level and the reasons therefor.

(2) On receipt of the application, the Authority may, after inspecting the tree(s) and holding such enquiry as he may deem necessary, either grant permission in whole or in part or for reasons to be recorded in writing refuse permission:

Provided that such permission shall not be refused if the tree-

- (i) is dead, diseased or wind-fallen; or
- (ii) constitutes a danger to life or property; or
- (iii) constitutes obstruction to traffic; or
- (iv) is substantially damaged or destroyed by fire, lightning, rain or other natural causes.

(3) The Prescribed Authority shall give his decision within thirty days from the date of receipt of the application.

(4) If the Prescribed Authority fails to communicate his permission on request within the period specified under sub-section (3), the permission referred to in section 6 (2) shall be deemed to have been granted.

(5) Every permission granted under this Regulation shall be in form as given in the Schedule-II and subject to such conditions, as may be prescribed.

7. Appeal:-

(1) An appeal shall lie against the order or direction of the Prescribed Authority under sections (5) & (6) to the Appellate Authority within a period of thirty days of passing of order.

(2) Every appeal under this section shall be made by a petition in writing and shall be accompanied by a copy of the order or direction appealed against.

(3) No appeal shall be disposed of unless the appellant has been given a reasonable opportunity of being heard and appellate authority shall dispose of the appeal preferably within two months of filing of appeal.

CHAPTER - IV

PENALTIES AND PROCEDURE

8. Offence:- Any act of felling a tree or transportation of tree in contravention of the provision of the Regulation shall constitute an offence.

9. Seizure of property: - Where any officer of the Department of Environment & Forests not below the rank of Forester has reasons to believe that an offence under this Regulation has been committed in respect of any tree, he may seize the tools, implements, water crafts, vehicle, animal or other conveyance used for the commission of the said offence, along with the tree or part thereof, which has been severed from the ground or the trunk, as the case may be, and inform about the seizure to the court having jurisdiction.

10. Forfeiture of timber and other produce from the tree, implements used for felling and the vehicle and animals used for transport of such trees:-

(1) Where any person is convicted of an offence under this Regulation, any timber or the tree in respect of which an offence is committed, the tools and implements used for felling, and any water craft, vehicle, animal or other conveyance used for its transport, may be ordered by the Court to be forfeited to Government.

(2) Any timber, produce from the tree, tools and implements etc. and water crafts, animal or other conveyance forfeited under sub-section (1) shall be disposed of by the Prescribed Authority in such manner as may be ordered by the court.

11. Power to release property seized:- The authority empowered may release the property seized under section 9, if the owner of the land executes a bond in the form as prescribed in Schedule-III for its production whenever required.

12. Power to arrest without warrant:-

(1) Any Forest Officer not below the rank of a Forest Ranger or a Police Officer not below the rank of a Sub-Inspector may, without a warrant, arrest any person reasonably suspected of having been involved in any offence under this Regulation, and if such person refuses to give his name or address or gives a name or address which the concerned officer has reason to believe to be false or if he has reason to believe that the person will abscond.

(2) Any person arrested under sub-section (1) shall be informed, of the grounds for such arrest and shall be produced before the Magistrate having jurisdiction in the case within twenty four hours of such arrest excluding the time necessary for the journey from the place of arrest to the court of the Magistrate and no such person shall be detained in custody beyond the said period without the authority of the Magistrate.

13. Power to release person arrested:- Any officer who has arrested any person may release such person on his executing a bond with proper surety to appear, if and when so required, before the Magistrate having jurisdiction in the case, or before the Forest Officer not below the rank of Assistant Conservator of Forests.

14. Power to prevent commission of offence:- Every member of Panchayati Raj Institutions, Forest Officer, Revenue Officer or Police Officer shall prevent and may interfere for the purpose of preventing the commission of any offence under this Regulation.

15. Power to compound offence:-

(1) Any Forest Officer not below the rank of Assistant Conservator of Forests may—

- (a) compound any offence committed under this Regulation on payment of a sum not exceeding rupees ten thousand by way of composition for the offence which such person has committed, and
- (b) release any property seized as liable to confiscation, on payment of the value thereof, as estimated by such officer.

(2) On the payment of such amounts the property seized and the offender, if in custody, shall be released and no further proceedings shall be taken against such offender or property.

16. Contravention of Regulation to be reported by certain Officers:- It shall be the duty of every officer of the Department of Environment & Forests, Revenue, Police, Agriculture, Horticulture, Rural Development and members of Panchayati Raj institutions

- (a) to give immediate information coming to his knowledge of any contravention of section 5 and of preparation to commit such contravention, to any prescribed authority;
- (b) to take all reasonable measures in his power to prevent such contravention which he may know or has reason to believe that it is about or likely to be committed.

17. Offences by Organizations:-

(1) If the person committing an offence under this Regulation is an organization, the organization as well as every person in charge of and responsible to the organization for the conduct of its business at the time of the commission of the offence shall be deemed to

be guilty of the offence and shall be liable to be prosecuted against and punished accordingly;

Provided that nothing contained in this sub-section shall render any such person liable to any punishment provided in this Regulation, if he proves that the offence was committed without his knowledge or that he exercised all due diligence to prevent the commission of such offence.

(2) Notwithstanding anything contained in sub-section (1), where an offence under this Regulation has been committed by an organization and it is proved that the offence has been committed with the consent or connivance of, or is attributable to any neglect on the part of its Head of the Department/ office/ unit, Director, Manager, Secretary, Treasurer or other officer of the organization, shall also be deemed to be guilty of that offence and shall be liable to be proceeded against and punished accordingly.

18. Penalty:- Any person who contravenes any of the provisions of this Regulation or orders made thereunder shall, on conviction, be punished with imprisonment which may extend to six months or with fine which may extend to ten thousand rupees or with both.

19. Award of penalty or forfeiture not to interfere with other punishment:- The award of penalty or forfeiture of any property under this Regulation shall not prevent the inflicting of any punishment to which the person affected thereby is liable under any other law.

CHAPTER - V

MISCELLANEOUS

20. Officers to be public servants:- The officers exercising powers or discharging any duty or function under the Regulation shall be deemed to be public servants within the meaning of section 21 of the Indian Penal Code (Central Act 45 of 1860).

21. Bar of proceedings:-

(1) No suit or criminal prosecution or other legal proceedings shall lie against the Government servant or any person empowered to exercise power or to perform duties or discharge functions under this Regulation, for anything done or purporting to be done or omitted to be done in good faith under this Regulation and orders made thereunder.

(2) No Court shall take cognizance of any offence alleged to have been committed by an officer while acting or purporting to act in the discharge of his official duties except with the previous sanction of the Government.

22. Execution of order for payment of money:- Any sum, including any amount of composition of an offence, the payment of which has been directed to be made by any person under this Regulation shall, without prejudice to any other mode of recovery under any law for the time being in force, be recoverable from him as an arrears of land revenue.
