

## **Scheme of Trade Test for recruitment of Mazdoor at Silviculture Division**

(Reference Notice dated 23.09.2013 published in the Daily Telegram)

I Subject to the no. of candidates qualifying Physical Endurance Test (P.E.T.), Trade Test may be held as per the following scheme:

1. Pit digging in stipulated time. (Size of the pit -45 x 45x 45 cm)
2. Bamboo beating and splitting in stipulated time.
3. Splitting of palm leaves in stipulated time.
4. Poly bags filling in stipulated time.
5. Identification
  - a) Forest plant species
  - b) Medicinal plant species
  - c) Seed

The qualified candidates shall indicate any three out of the first four options for their Trade Test. Point 5 shall be compulsory. Passing all the three chosen options and the fifth point shall only lead to qualification to the next level of test(s).

- II Only those candidates who qualify P.E.T. shall be allowed to appear for the Trade Tests. They shall have to give their preferences after the successful conduct of P.E.T.as decided by the P.E.T. Committee.
- III The Trade tests shall be qualifying in nature. The date, time and venue shall be subsequently notified.
- IV In case it is required and depending on the number of candidates qualifying P.E.T. and /or Trade Test, a written test (of 10<sup>th</sup> Standard) may be conducted to draw the final merit list. The date, time and venue shall be subsequently notified.
