

ORGANISATIONAL SET-UP OF THE DEPARTMENT OF ENVIRONMENT AND FORESTS A & N ADMINISTRATION

The department is committed to the service of the people and long-term conservation of nature and natural resources of these islands. - xi) To promote Ecotourism.

The Department of Environment and Forests of Andaman and Nicobar Administration was the only forest department in the country which was classified as commercial department till recently. Following the directives of the Supreme Court vide its order dated 7th May, 2002 in a Public Interest Litigation (PIL), W.P.(Civil) No.202 of 1995 the Department had a major shift in its programme and policies discontinuing many of its commercial activities. As a consequence, the activity of the Department is now geared to protecting, conserving and developing rich floral and unique faunal diversities of Andaman and Nicobar Islands. This change in management policy necessitated change in accounting procedure of the Department which was hitherto commercial. Accordingly, the Ministry of Environment & Forests, Govt. of India declared the Department of

Environment and Forests as a service department vide their communication No.131/2001-SU dated 18.05.2004.

Services provided by the Forest Department to people:

1. Providing Non-timber Forest Produce to the public on payment of royalty for their bonafide use.
